Work Experience

Science Teacher

Frost Middle School

August 2026 - Present

Lawrence, MA

- Plan and deliver 7th grade science lessons
- Engage students through discussion- and project-based explorations
- Coordinate with other educators to support students across their needs

Science Teacher, Grade 6 (Long-Term Substitute)

Gibbs School

February 2026 - June 2026

Arlington, MA

Certified Teacher

LearnWell Education

May 2024 - February 2026

Cambridge Health Alliance

- Taught students ages 9-17 attending acute inpatient mental healthcare programs
- Worked in Neurodevelopmental Disorders and Adolescent Inpatient Psychiatric units
- Rapidly planned and deliver highly differentiated lessons in core subjects for classrooms of ~10 students
- Quickly gauged educational and affective needs as new students cycled through the programs

Private STEM Tutor

Learn From Dan (learnfromdan.com)

August 2020 - August 2024

- Supported students in mathematics, computer science, and other STEM disciplines
- Wrote accessible but detailed reference materials about session content
